Baby Banquet the 2010 Parent Tested Parent Approved (PTPA) Media Inc. Seal of Approval

Houston, TX (May 12, 2010) Baby Banquet LLC is excited to announce that it has been awarded the influential Parent Tested Parent Approved (PTPA) Media Inc's Seal of Approval for excellence in family products.

Consumers looking for practical, high-quality products and services can rest easy knowing that products bearing the PTPA Media "Winner" Seal are all "Parent Tested, Parent Approved™."

PTPA Media Inc. provides an objective framework for appraising and promoting new products designed to enrich family living. The company's mission is to marry innovative companies with discerning consumers, to improve families' access to quality products and services.

Baby Banquet was among many entries from across North America competing to win the Parent Tested Parent Approved™ Seal for the Summer 2010 campaign. Because independent parent volunteers evaluate these products in their own homes, PTPA winners are chosen based on merit and consumer experience – not on commercial considerations. As a result, the Parent Tested Parent Approved™ Seal has quickly gained recognition as an international leader in certifying consumer products for quality, effectiveness and value.

Designed by a stay-at-home mom from Houston, Texas, Baby Banquet (a BPA Free product) is a new and welcome innovation in meal time adventures. Now parents can use one solid decanter to easily serve a balanced meal in a clean, simplified and relaxed way. It is unlike any of the plates, bowls or cups available on the market advertised to make the baby feeding process easier. And, what is most unique about Baby Banquet is that your toddler can use it as well to carry snacks, juice boxes or anything else they enjoy. It is perfect for travel and a product that you can use for many years.

"I am honored that Baby Banquet received the influential Seal of Approval from PTPA Media Inc. To know that this award came from parents who used the Baby Banquet and discovered all of its benefits is just wonderful" says Elizabeth Meuser, President and creator of the Baby Banquet.
